

17th February, 2024 — 31st March

< Room1-2 >

Collection Exhibition

Paintings without Signatures, Sparkling Gemstones

The establishment of the museum was rooted in the donation to Kobe City of the atelier of KOISO Ryohei and his many works, which were left there. There were many works that he had never released to the world. These "unsigned" paintings that express his creativity in a raw form, fascinate us with the charm that cannot be seen in the finished works.

< Room3 >

Museum Collection III

We will exhibit the works of KOISO Ryohei from our collection.
