

*Nagata,
the town where everyone mingles
and lives side by side*

Nagata Ward's Vision for the Future

2021 - 2025

The ways we live and work are changing,
and there are some things that will not change,
and some things we wish to preserve.

We want everyone who lives, studies, or works in Nagata
to understand its charm.

Together with the people of Nagata Ward, we will describe
“The Nagata that we wish to preserve for the future”.
