

## Oversized Garbage Disposal in Kobe City

- Please refer to the examples of oversized garbage on the next page.
- Oversized garbage refers to items that cannot fit in a designated garbage bag, or items that weigh over 5 kg.

- Rules for oversized garbage disposal:

You must apply in advance for oversized garbage pickup by phone (English support available).

Kobe City will not collect your oversized items without an advance application.

Do not dispose of oversized garbage by placing it in a burnable or non-burnable garbage bag.

Disposing of oversized garbage requires a handling fee.
